

PMS MISSION

Presbyterian Medical Services designs and delivers quality, accessible, integrated health, education, and human services in response to identified community needs of the multi-cultural people of the Southwest.

VFSS MISSION

To improve transitions of care for soldiers, veterans, and their families experiencing issues associated with trauma and other behavioral health problems, through quality and comprehensive behavioral health and medication management, support services, education, training, and outreach.

WHAT IS VFSS?

The **Veteran and Family Support Services** provides comprehensive intake, assessment, treatment and referrals for New Mexico veterans and their families living with the effects of military service, deployment, and coming home. We provide services in support of trauma and related issues veterans and their families face including substance abuse, depression, anger, domestic violence, and social and economic challenges.

ADMISSION

Easy Access, call 1-877-929-9797

Crisis line available around the clock!

1-800-273-8255

We welcome referrals from: hospitals, physicians, nurses, psychologists, therapists, case managers, community agencies, employee assistance programs, and family members. Individuals may walk in to any of the three sites.
